

International Trade Internship Opportunity- Tampa, FL

The U.S. Export Assistance Center in Tampa seeks interns at specified times throughout the year. This is an excellent opportunity to gain insight into international market research and exporting! The internship is generally 5-6 months long, with the student responsible for working 16-20 hours per week. The intern will be responsible for a host of duties, including the following:

- Responding to International trade inquiries
- Conducting international market research
- Accompanying trade specialists in meetings with local manufacturing and service companies to help determine export strategies
- Assist companies in locating foreign agents and distributors for their products and services
- Pursuing foreign sales leads provided by commercial officers at U.S. Embassies abroad
- Drafting the office's monthly electronic newsletter
- Supporting and attending export seminars
- Promoting industry trade events to the international business community

Requirements:

- US Citizenship
- Must be at least a part-time student for the duration of the internship
- Should be either a junior or senior (undergrad) or a graduate student
- No foreign language skills required

To apply, please send your resume to:
